

Module 1.2 – Akkwe:ní: kih I Can Do  
Office Reception-basic using Oneida

This is your self assessment. Read the “Can Do” Statement and check the column that applies to you.

You can also sign the date if you wish. This will show your own progress. You keep this page in your own records

| Skill Area             | Can Do Statement  | with the help of someone else | with some help | with ease on my own |
|------------------------|---|-------------------------------|----------------|---------------------|
| Listening              | I can understand simple helping questions (can I help you?) |                               |                |                     |
| Speaking Production    | I can do one or more simple commands (wait, come this way)  |                               |                |                     |
| Speaking Interaction   | I can ask someone if they need help                         |                               |                |                     |
| Think About...         | How Do I Know?  | What do I do next?            |                |                     |
| What went well:        |   |                               |                |                     |
| What still needs work? |   |                               |                |                     |
